Please see our Website for our full range of Weathervanes. Designs may vary slightly from those shown in our brochure and on our website. Each copper weathervane has been treated with a special solution to achieve a natural verdigris patina unique to each weathervane. The patina colour can vary and is not a uniform finish that will continue to change over time.

Fixing Kits				Custom Weathervanes
Gable 100mm	Post top	Roof	Wall	Custom weathervanes can be manufactured to any size and from virtually any material. We can work from artwork supplied or help design a unique weathervane to suit. A selection of previous designs available for purchase or simply as inspiration, as well a blank template for creating your own can be found on our website www.good-directions.co.uk/weathervanes.htm
